## *Beads*

► Preciosa Machine Cut Beads are precisely cut. Their durability and perfection of cut assure jewellery manufacturers that the crystal will not wear down or lose its brilliance. Our exclusive colour selection is one of the largest in the marketplace. MC Beads have multiple uses. They can be used in jewellery production by stringing them or in the clothing industry by sewing them on. They are also ideal for hobby and craft enthusiasts.

## *Pendants*

► Our geometrically precise cuts of larger stones guarantee optimal dispersion of light and brilliance. MC Pendants can be strung together with other MC Beads or can be sewn on individually, depending on one's imagination.

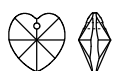

PRECIOSA products that carry our new Lead-Free Brilliance symbol contain less than 0.009 % lead (< 90 ppm) and are made according to the highest environmental and sustainable manufacturing practices. These premium products meet the most stringent industry standards and international certifications.
